Welcome to your

Co-host Portal

Your Co-host Portal provides secure, 24-hour access to your properties, bookings and agreement from any phone, tablet or computer.

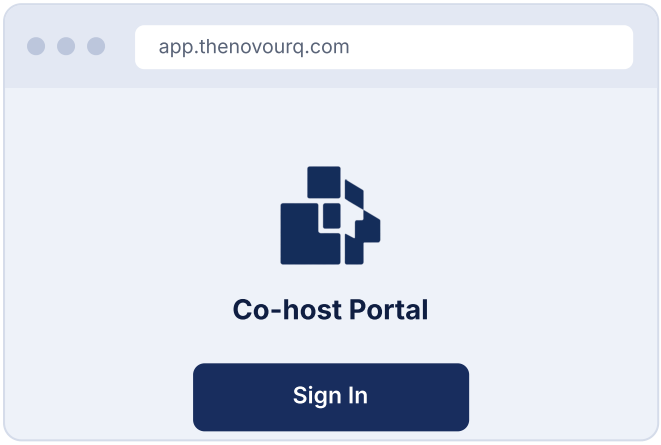

This guide explains how to:

1. **Sign in and see how you are performing**
2. **Follow bookings and maintenance**
3. **Check your agreement and documents**

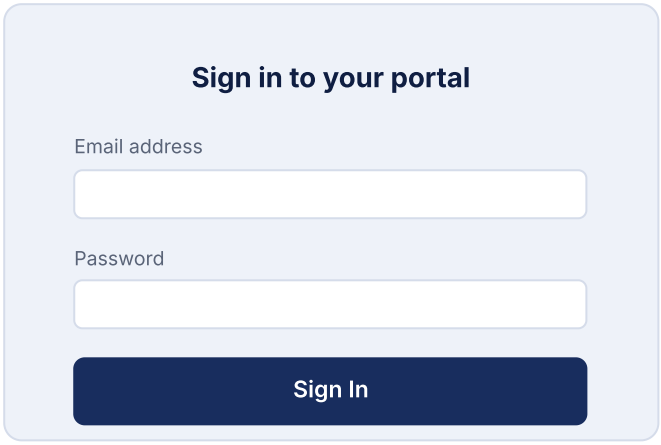

STEP 1

Signing in

The Co-host Portal is accessed online. Once you have signed your co-hosting agreement, our team creates your login, so you do not need to register for an account.

A · Go to the portal address in your browser

B · Sign in with the details we issued to you (illustration)

How to sign in

1. Go to **app.thenovourq.com** in your web browser.
2. Enter the **email address** and **password** provided to you, then select **Sign In**. The portal opens on the **Overview** tab.
3. If you have forgotten your password, select **Forgot password?** and follow the instructions sent to your email address.

Awaiting your login details

Please do not use the Sign up option. Contact our team and your co-host account will be set up for you.

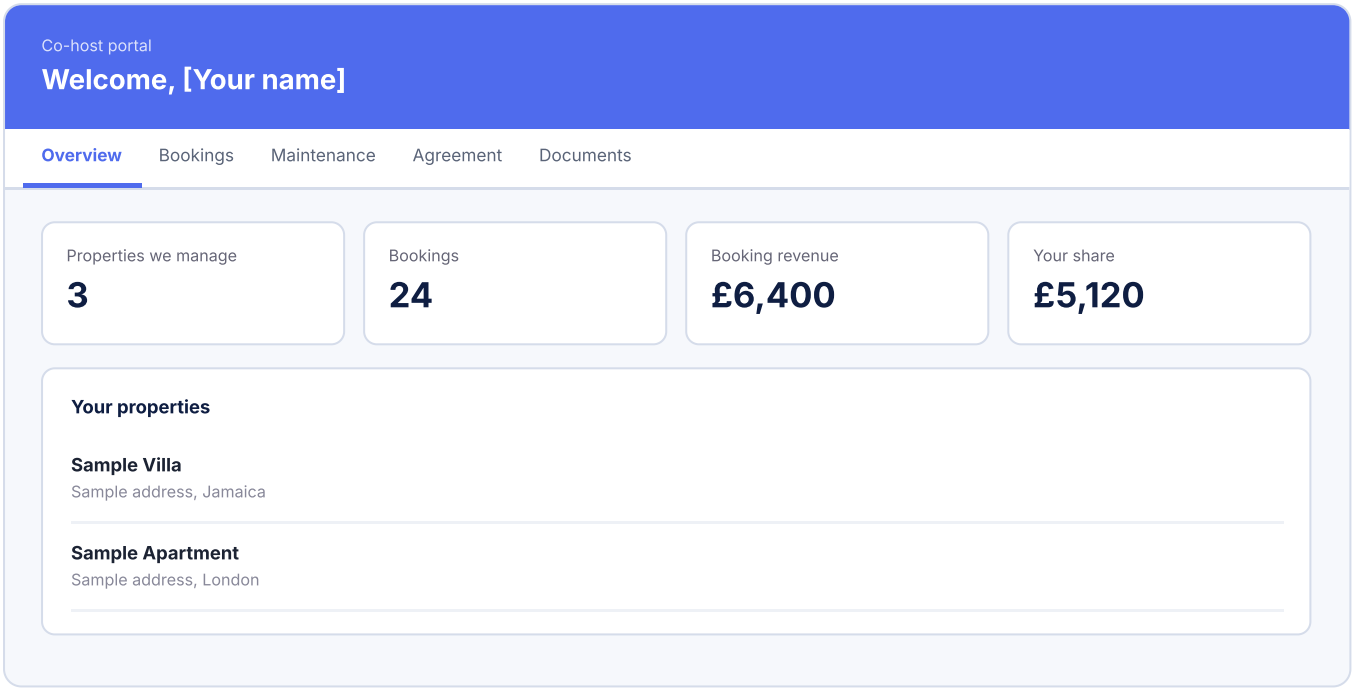

Quick access

We recommend bookmarking the portal or adding it to your device's home screen for convenient access.

STEP 2 · OVERVIEW TAB

Your overview

The Overview tab is displayed each time you sign in. It summarises how your properties are performing, and the menu at the top of the page provides access to the other areas of the portal.

Properties we manage

The number of your properties we look after.

Bookings

The total number of bookings recorded.

Booking revenue

The total amount booked across your properties.

Your share

Your portion of the revenue after our fee, shown where our fee is a percentage.

Below the figures you will see your properties and their addresses. If a property is missing or incorrect, let us know and we will update your record.

STEP 3 · BOOKINGS TAB

Bookings

The Bookings tab lists every booking at your properties, so you can see who is staying, when, and how much each booking is worth.

How to read your bookings

1. Select the **Bookings** tab from the top menu.
2. Each line shows the guest, the property, the check-in and check-out dates and the booking platform, with the booking amount on the right.
3. Newer bookings appear as they are recorded by our team.

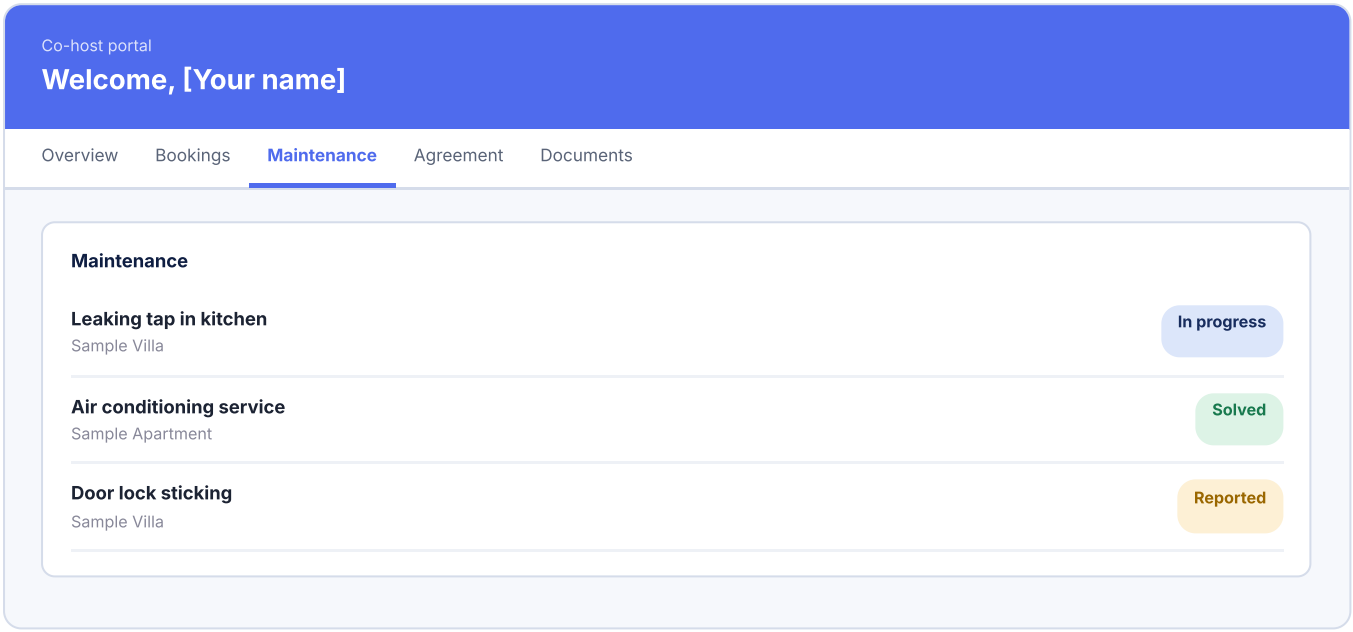

Booking looks wrong?

Tell your property manager and we will check it against the booking record and update it.

STEP 4 · MAINTENANCE TAB

Maintenance

When an issue is reported at one of your properties, you can follow it from start to finish in the Maintenance tab. The tab shows a count of issues still open.

How to follow an issue

1. Select the **Maintenance** tab from the top menu. The number beside it shows how many issues are still open.
2. Each issue shows its title, the property and its current stage.
3. Issues move from **Reported** to **Solved** as our team arranges and completes the work.

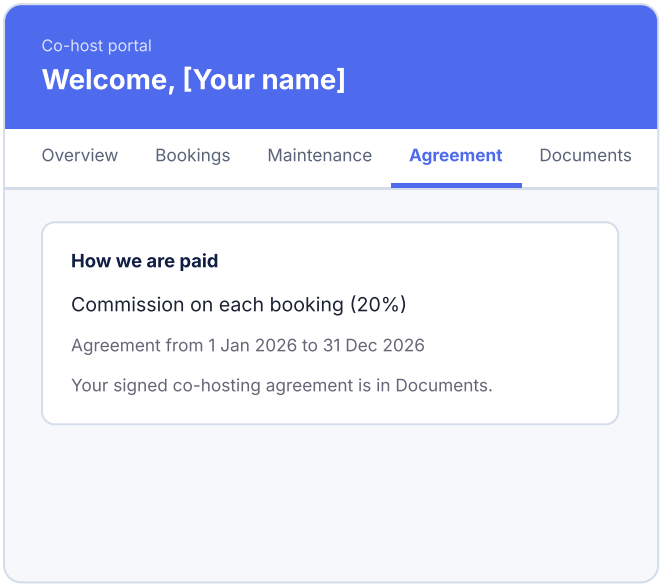

Understanding the stages

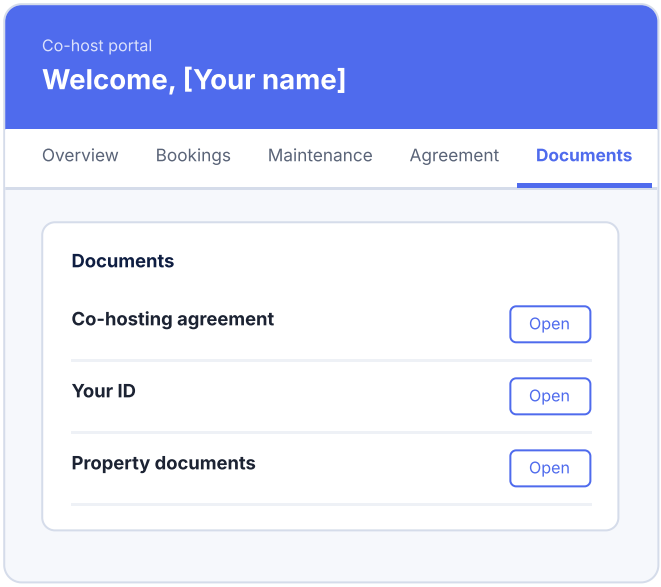

Reported	The issue has been logged with our team.
In progress	Work is being arranged or carried out.
Solved	The issue has been resolved.

STEP 5 · AGREEMENT AND DOCUMENTS

Your agreement and documents

The Agreement tab explains how we are paid and the dates of your agreement. The Documents tab holds your signed co-hosting agreement and other files.

How to find them

1. Select **Agreement** to see how we are paid, for example commission, a fee or by contract, and your agreement dates.
2. Select **Documents** to open your signed co-hosting agreement and other paperwork.
3. Upload anything we have asked you for, such as your ID, from the Documents tab.

Questions about your agreement

Contact our team. Changes to terms are agreed in writing and a new signed copy is added to Documents.

SUPPORT
